*Teen bj queen  
sucks off her boyfriend  
in a movie theatre*

When I first started going out with my boyfriend, I told him that I'd do a lot of things but giving blowjobs wasn't one of them. Yeah, I was kind of a bitch I guess. But he was real nice about it, and after a while—well, I'm not sure how it happened, but now giving blowjobs is like one of my all-time fave things to do!

# BLOWJOB SLUT

And I'll do it almost anywhere! I know—what a slut, huh? But there's something about getting him so hot and horny that he just has to squirt his load down my throat...well, it just gets me all juicy, you know?

Like last night, we went out to the movies, only it was so boring I could hardly stand it. So I just all of a sudden decided that I wanted to go down on him! I started, like, touching him through his jeans but, even though it was making him hard, he pushed me away.

"Kristen, no!" he said, all embarrassed and trying to get me to stop.

But I just kept kind of squeezing on his cock, and after a minute he just closed his eyes. Then when I unzipped him, he tried again.

"Dammit, Kristen!" he said, acting all offended. "Stop it!"

But I just giggled and took his dick out anyway. He kind of moaned when I started stroking on it the way he likes, kind of hard near his balls

and kind of light near his fat head. Then, before he could say anything, I bent over his lap and put my mouth around him!

I heard him groan a little, and I could feel his hands on my head like he was trying to push me away. But then when I sucked his big head into my mouth, he stopped pushing. Instead he was kind of pulling on my hair and trying to push himself deeper into my mouth. That's when I knew I had him!

I started licking on his big cock just the way he likes it, under that little ridge that's right below his big, shiny knob and all over the really smooth part of his head; it always gives him the shivers when I do that. And I used my fingers to squeeze hard down low on his shaft, right where his balls start. I kept kind of sucking on the tip, where the pee comes out, until I tasted some of his cum.

I smacked my lips a little then, and I heard him say, "Shhhhh!" but I didn't care; I just started to pull him into my mouth, real slow. I opened up wide because, even though it's hard, I know how much he likes it when I take him all the way down my throat. Plus, knowing that there were, like, about a million people around us was making me feel even nastier. I could feel my pussy juicing up

**I STARTED LICKING ON HIS BIG COCK JUST THE WAY HE LIKES IT, UNDER THAT LITTLE RIDGE THAT'S RIGHT BELOW HIS BIG, SHINY KNOB AND ALL OVER THE REALLY SMOOTH PART OF HIS HEAD; IT ALWAYS GIVES HIM THE SHIVERS WHEN I DO THAT.**

while I was sucking him deeper into my mouth. I kind of wanted to touch myself, too, but I was too busy! So I just kept going, squiggling my tongue all over his big boner while he slid farther into my mouth.

Then finally I had him all the way down my throat and, even though it made me gag a little, I kept him there, with his cock practically touching my tonsils. My nose was buried in his fuzz, and it was kind of tickling me, so pretty soon I pulled his cock all the way out of my mouth, real slow again, and then put it back in quick.

That's when he started kind of jerking his hips, so I knew he wanted more. He loves to fuck my

mouth almost as much as I love to suck on him, so I opened up real wide and let him stroke his way in and out of my throat. I could hear him moaning as he started pumping into me, and I reached inside his pants and tickled his balls the way he likes it. They were all soft and squishy, and I kind of squeezed 'em real carefully in my fingers.

That made him buck even faster, and it was getting kind of hard to breathe, but I didn't mind because I could tell how much he was liking it. His balls were all, like, quivery, in my fingers and I knew he was going to come soon. That's when I reached down and touched his asshole.

I know, it sounds kind of yucky, but he likes it so much! I just kind of poked around while he was doing my mouth, and pretty soon he was getting all jerky. So I poked harder, and the tip of my finger went right into his butt! That's when he started squirting, so I poked harder and started swallowing.

His cum was all warm in my mouth, and he kept fucking me, really hard, while he squirted it down my throat. I could hardly keep up, he had so much cum, but I let it slide down my throat and just opened up wide for more. I kept my finger in his ass while he pumped my mouth full, and jeez, he was, like, so excited he just kept going and going! It made my pussy really wet just sucking down all his stuff.

His jizz was coming out of my mouth by the time he was all finished, but I didn't care; I just licked it all off my lips. And then I sat up like nothing had happened, even though my pussy was, like, wetter than ever from doing that to him with all those people around.

He looked a little embarrassed then, but he looked happy too, so I know he was glad I'd done it. And I know I'm just a little blowjob slut, but I was glad, too!

## a close shave

*She was the sexiest chick I'd ever met,  
and once a month she was all mine...*

### dinner and a shave, two lips

As I typed, my eyes were locked on the image on my screen. It was a beautiful woman: She had long black hair, sparkling green eyes and a fabulous body. She was tan all over. She lay on a bed, her legs spread wide as her hands held the lips of her pussy open. She was licking her lips.

The caption below the photo read: "Hey, married men. Mona wants you. No permanent involvement wanted. Just one night of lust. I dig married men."

I had never answered one of these before, but I couldn't help myself this time. I wanted Mona so badly that it hurt. As a writer, I told myself, it was research. But between my legs, I knew better. For more than a week I had masturbated every night as I drooled over her picture. I imagined all the things that I would do to her, as I stroked my dick.

I had a plan that was foolproof. I would give her the phone number at the vacant desk beside mine in the office. It never rings, so it would be easy for me to be sure that I would answer it, if she called. I gave her a name that I made up, Rick. It was the only way I felt safe about doing this. Since she lived in Atlanta, it would be simple to arrange to see her

on one of my frequent business trips to that city.

My email was short and as daring as I could make it. I described myself: 40, married, two kids. I told her I was an accountant who did some freelance writing in my spare time. I told her that, among other things, I wanted her to straddle my face and come until she screamed. I attached a picture of myself. My face didn't show, but my shaft was hard and ready in my pumping hand.

I mentioned that I would be in Atlanta in two weeks and asked her to call me beforehand. Six days after I emailed her, the phone at the next desk rang for the first time in months. "Rick," I answered. "May I help you? My hands shook and my palms were wet. If it wasn't Mona, I was going to hang up.

"This is Mona," a sexy voice purred.

"You got my email?" I asked. "Yeah," she sighed. "I loved it. It is easy to see that you are a writer. I'm all wet between my legs, just thinking about you."

"Thanks," I stammered. "It was, uh, easy to write it. That photo of you really got to me. It still does."

"When can you come to Atlanta?" she asked. "I want you." Her voice was like honey.

"Next Tuesday," I answered.

"Oh, good," she exclaimed. "You can spend the night

dinner and a shave

with me. Don't expect to get much sleep, though. My pussy will be all over your face... for as long as you can stand it," she promised.

We made a date. Believe me, time dragged on until I was on my way to Atlanta—and Mona. She lived a short cab ride from where my business seminar was held. My knees knocked as I stood before her door and pressed the buzzer. Dressed in black capris and a sheer white blouse, Mona greeted me with a soft kiss. Her long black hair hung over her shoulders and her beautiful green eyes had a mischievous twinkle. I guess I expected her to be naked. Suddenly it was more like a first date than the fuckfest that I had planned. We introduced ourselves and shook hands. But as I kissed her hand, it smelled of fresh pussy. Had she been playing with herself? My imagination was running wild.

"You like my perfume?" she asked as I lingered over her hand longer than necessary.

"Yes, it smells like..."

"My pussy?" she giggled. "Maybe that's because I was fingering it and looking at the picture you sent. You took so long to get here." My piston was bulging against the front of my pants by this time.

Mona's apartment was spotless, and she was a beautiful woman. I wondered why she needed to run an ad. I couldn't believe that every man in Atlanta wasn't trying to get into her panties.

"Why don't you shower while I fix us a bite to eat?" she offered. "Let's take it real slow and make this an evening to remember." Her lips brushed against mine as she took me to the bedroom and then went to the kitchen. I dropped my suit-

case on the bed and undressed. I felt very much at home as I padded to the bathroom in my boxer shorts. My pole was still hard as the hot water in the shower stung my body.

I was startled when I pushed back the shower curtain and unexpectedly saw Mona standing there. Her head was cocked to one side and she smiled as her eyes devoured my naked body.

"Haven't we met before?" she asked, looking directly at my swelling prick. She bent over and cupped my cock and balls in her hands. My rod jumped to attention as she bent down farther and touched me with her lips. "Down, boy!" she said, teasing my eager manhood. "Better save your strength. It's going to be a long night." Then she went back to the kitchen.

I got dressed and joined her. The table was all set, and dinner looked amazing. There were no heavy meat or potatoes; just a delicious-looking crisp, green salad, some breadsticks, cheese and two sparkling glasses of wine.

Mona kissed me, her tongue probing my mouth. Then she said, "Don't want you to get stuffed. You have a lot of eating to do tonight." She was breathing heavily already. I sensed that Mona was a creature totally devoted to sex, and I hoped I would have the strength and stamina to please her.

As we dined, Mona told me that she had placed the ad because her job as a corporate secretary kept her so busy she didn't have time to go looking for sex. She said that she had received 47 replies, but mine was the only one she had answered. She wanted a man that would enjoy eating pussy, she said.

She sure wrote to the right guy. I ate my first pussy when

dinner and a shave

I was a teenager and to this day I can't get enough. My wife doesn't like me to eat her, so I'm often frustrated.

After dinner we smoked a joint. "Will you shave me before you eat me?" Mona blurted out.

"Your pussy?" I gasped. "I never . . ."

"I want to feel your tongue. I want to be bare for you. Please?"

What could I say? She ran to the bedroom and I heard her rustling around as she prepared for her "barber." Did she really want me to shave her pussy?

"Come on over, I'm ready," she finally said. She looked exactly like she did in the photo, as she lay spread wide-open on the bed. Her hands even held the lips of her love tunnel open. The pink lips glistened in the dim light. A razor, a pan of hot water and some shaving cream were on the nightstand. I moved Mona to the edge of the bed, with her legs hanging over and her feet on the floor. Her hands continued to hold the lips of her exciting pussy open as her thumb very slowly rotated her swollen clitoris. Her nipples were hard and her breathing was rapid. She was steaming hot.

My head was drawn like a magnet to her box. My lips touched her slippery slit and my tongue tasted her juice. I buried my tongue in her hungry snatch as her legs gripped my head. She moaned, groaned and came for the first of many times that night.

"cheated," she said after she had recovered. "But thanks. I needed it. You make me so hot that I want to come again and again."

It took over an hour to shave Mona's triangle. The area close to the lips is very delicate, so I went very slowly. She

was no help at all. My finger would slip into her burning box as I held the skin tight against the razor. Every time I did, she would shiver, shake and come again. I would lose control each time and lick the juice as it dripped from her steaming cunt.

Then I would have to lather her up again and shave some more. She had six orgasms before I finished the shave. I had her mound as smooth and soft as a baby's bottom. The lips of her cunt and her clitoris were wet and swollen as they protruded into the open air.

After the shave I stripped and lay across the bed, with Mona straddling my face. Her face was against my erect cock. I held my tongue steady and stiff as she fucked herself to contentment. Finally she turned around and lowered her bare box over my pole until I was ready to scream. Then she lunged down on it and took it all the way to the hilt in one stroke.

After only ten strokes the cum gushed from my aching balls. Mona slid back and let my spurting prick slip from her cunt. She held my cock like a hose as the white liquid splashed against her bare pussy.

She screamed and creamed as each boiling glob spurted out and hit her triangle. Her hand pumped me dry and she licked me clean.

Then we slept, but not for long. She woke me up four times before the night was over—with her bare snatch rubbing my face.

I'm now her regular barber. Every month, when I'm in Atlanta, I visit Mona to give her a shave and a fuck. And we also enjoy dinner together, of course.
